\*These plans require at least one health coach contact in order to be completed. You will need to contact your health coach when the assigned program prompts you to do so. After you speak with the health coach, he/she will promote you to the next step in order to continue with the program.

**Please note:** You must log in to CareHere Connect on a regular basis to read the recommendations and complete the tasks in order to be promoted to the next step.

**QUESTIONS?**

Please contact your CareHere Health Coach at [wellness@carehere.com](mailto:wellness@carehere.com) or through the Coaches tab on CareHere Connect.
