

CAREHERE HWC SERVICES

Outside Labs

Check to see if your outside lab can be completed at the CareHere Health & Wellness Centers! Employees who are covered under the Pasco County Schools' Florida Blue medical plan can bring in their lab requisition forms from outside providers to have the labs drawn by CareHere staff at no cost to them.

Call 877-423-1330 or come in with your labs 24 hours before your scheduled appointment to receive approval by a CareHere provider. Only labs approved and ordered by a CareHere provider on CareHere's approved lab list will be drawn at the CareHere HWCs. Lab results will be reviewed by a CareHere provider through a scheduled appointment at the CareHere HWCs.

CareHere services are available to all employees who are covered under the Pasco County Schools' Florida Blue medical plan. First time CareHere users will need to register before using the HWCs. Access code PCFSD7.
