

Developmental Milestones

Check the milestones your baby
has reached by 12 months

What most babies do by this age

Movement/Physical Development Milestones

- Pulls up to stand
- Walks, holding on to furniture
- Drinks from a cup without a lid, as you hold it
- Picks things up between thumb and pointer finger, like small bits of food

Social/Emotional Milestones

- Plays games with you, like pat-a-cake

Language/Communication Milestones

- Waves “bye-bye”
- Calls a parent “mama” or “dada” or another special name
- Understands “no” (pauses briefly or stops when you say it)

Cognitive Milestones (learning, thinking, problem-solving)

- Puts something in a container, like a block in a cup
- Looks for things he sees you hide, like a toy under a blanket

Help Your Baby Learn & Grow

- Teach your baby “wanted behaviors.” Show her what to do and use positive words or give her hugs and kisses when she does it. For example, if she pulls your pet’s tail, teach her how to pet gently and give her a hug when she does it.
- Talk or sing to your baby about what you’re doing. For example, “Mommy is washing your hands” or sing, “This is the way we wash our hands.”
- Build on what your baby tries to say. If he says “ta,” say “Yes, a truck,” or if he says “truck,” say “Yes, that’s a big, blue truck.”
