Kaitlyn Wall

Land O' Lakes High School

Extracurricular Activities:

- LOLHS Varsity Cheerleader
- South Pasco Predators Challenger Team Student Cheer Coach
- Waitress and barista at Los Gringos Tampa
- SERV Safe certified LOLHS Culinary Academy student

Scholarship:

Due to my hard work and dedication to school, I have been able to earn "All 'A' Honor Roll" for all four years of high school, while maintaining a 4.45 weighted GPA and a 4.0 unweighted GPA. College Board awarded me with the AP Scholar with Honor award for earning scores of a four and three fives on AP exams. Additionally, I have earned a Pop Warner college scholarship for academic and athletic excellence.

Leadership:

In my sophomore year of high school, I was the JV cheer captain and led a team of 26 girls during football games. Currently, I am a student coach for a special needs cheer team where I teach four girls with learning disabilities how to compete at competitions across the state of Florida. Being a student coach requires you to be able to lead a team to success while ensuring they are also having fun.

Service:

I volunteer during the holidays of Thanksgiving, Christmas, and New Year's, with a feeding table organization where I cook and serve hot meals to homeless families and youth in the Tampa Bay region. We cook hot home-style meals to give families a holiday experience that they would not otherwise get to have.

Citizenship:

Through volunteering with the South Pasco Predators Challenger team, I have been able to contribute to the girls on my teams' lives by teaching them a sport that they did not participate in previously. Being on the team has made these girls more visibly confident and has made me feel a sense of purpose in teaching them and making sure they have the best time possible while at cheer.
