

2021 Outstanding

Mariano DeCarvalho

Wendell Krinn Technical High School

Scholarship:

Throughout high school I have been an incredibly involved academic. I've taken honors and other advanced courses since my freshman year and will graduate having completed over 15 dual enrollment courses with PHSC. I have maintained above a 4.0 weighted GPA as well, despite personal challenges at home and with my friends. I take my classes very seriously and strive to absorb as much information as I can every single day.

Leadership:

Throughout my time in school, being a leader has always been a paramount priority. When I came to Wendell Krinn as a sophomore, I immediately became very involved in leading my class in most aspects. I joined my school's Student Council and have since been elected President. I am adamant that every member of my cohort succeeds, and through student council, among other organizations I lead, I can do that effectively every day.

Service:

Service and giving back to my community has always been something close to my heart—especially since I've received so much help from those around me. I use my time outside of school to volunteer through the National Honor Society, Interact Club, and Special Olympics Florida. Since my junior year, I have elected to volunteer to these organizations not only for the hours, but for the fulfillment of giving back.

Citizenship:

I am incredibly active in my school and local community. Since Wendell Krinn first opened, it has taken a lot of engagement and a strong commutative effort with my peers to create a brand-new environment with many new faces. Integration and involvement were crucial; so, it was important for me to be active in creating school events, organizations, and cooperate with local business partners. I think my contributions have benefited the school greatly.

Extracurricular Activities:

- Senior Student Council Class President
- Executive Chairman of the Student Life Committee
- Wendell Krinn Chief Ambassador
- Future Business Leaders of America (Parliamentarian)
- Special Olympics Unified Volunteer
