[1] High school graduation year = the year in which the student graduated from high school. For example, a student who graduated between September 1, 2013 and August 31, 2014 graduated in the 2013-2014 academic year.

[2] Home educated students who are unable to document a college-preparatory curriculum and wish to earn an FMS award, must earn a 1070 SAT or 23 ACT; and as of 2013-14 must earn a 1220 SAT or 27 ACT.

[3] Extended hours of funding are available to FAS and FMS recipients in a single program of study requiring more than 120 hours.

[4] FAS & FMS scholars completing a baccalaureate degree in 2010-11 or later within 7 semesters (or equivalent hours) or fewer, may receive 1 term of graduate funding, up to 15 semester hours, paid at the undergraduate rate.

[5] Exception to the maximum number of years to begin receiving funding is made for students who are active military.

[6] Students who are unable to complete their program after 5 academic years due to a verifiable illness or other documented emergency may be granted a 1-year extension to the renewal timeframe.

[7] The award may **not** be restored if it was lost due to insufficient hours prior to the 2009-10 academic year.
