

We honor the Brave

America, land of the free,
America from sea to shining sea
East Coast, West Coast, North or South
America, the land of liberty!

Our country stands on the shoulders
of those who gave their all,
of humble men and women who
answered their country's call.
nobly they gave of themselves
to go to foreign shores
far from home and family
to open freedoms door

America, land of the free,
America from sea to shining sea
East Coast, West Coast, North or South
America, the land of liberty
The land of liberty!

Flying

Flying soaring up in the sky,
up where the clouds go drifting by.
We'll go flying, soaring, over the land
in our mighty aeroplane.

we'll fly higher and higher in our aeroplane

soaring up and over the clouds

Fly-ing o-ver the clouds!

We'll do loop the loops,
rolls and stalls
We'll dive so slow we'll scare the chicken
and cows

we'll fly higher and higher in our aeroplane
soaring up and over the clouds

and we'll go flying soaring, up in the air,
doing maneuvers nobody would dare.
When the sun shining down,
the wind in our hair,
flying way up in the air.

We'll do loop the loops,
rolls and stalls
We'll dive so slow we'll scare the chicken
and cows

Veteran's Day Rap

Gramps: "Ceasefire, the 11th month" they said. "on the day, on the hour, on the minute" they said. "Remember this time with 11" they said "let's remember and never forget"

Bill: Yep.

All: Let's Remember and never forget.

Bill: Yep.

All: Let's Remember and never forget.

Speaker 16: So that is the day that was set aside

to honor those who lived and died,
who served our land with dignity,
to keep us safe, to keep us free.

All: to keep us safe, to keep us free.
to keep us safe, to keep us free.

Speaker 17: Here's to the vets we honor this day

Thanks for the sacrifices you have made.

Here's to the vets who answered the call
you served with pride you're heroes all!

All: Here's to the vets we honor this day
Thanks for the sacrifices you have made.

Here's to the vets who answered the call
you served with pride you're heroes all!

Bill: Yep.

All: You've served with Pride.

You're he-roes all!

Bill: yep.

America, Land of the Free (Finale)

America, land of the free,
America from sea to shining sea
East Coast, West Coast, North or South
America, the land of liberty!

Then it's "Hi! Hi! Hey"
The army's on its way.
count off the cadence loud and strong!
Two! Three! For where-e'er we go,
You always know that the army goes
rolling along

Anchors a weigh, my boys,
anchors a weigh!
Until we meet once more,
here's wishing you a happy voyage home.

From the hall of the Montezuma
to the shores of Tripoli,
we fight our country's batties in the air,
on land and sea

And we'll go flying, soaring, up in the air
Doing maneuvers nobody would dare.

With the sun shinning down,
the wind in our hair,
flying way up in the air.

America, America
God she his grace on thee.
And crown thy good
With brotherhood
From sea to shining sea

America the land of liberty!
