

Parent Guide:

Setting Up a Rycor (ONE Wallet) Account

ONE Wallet is Pasco County Schools' online payment system powered by Rycor (StudentQuickPay). Families can use ONE Wallet to pay school fees, meal account charges, and other student-related expenses.

This guide walks families through creating or activating a Rycor account and linking to their student(s).

Step 1: Go to the Pasco ONE app

Open the Pasco ONE app and select the ONE Wallet icon.

Don't have the Pasco ONE app yet?

You can download the app directly through your device's app store.

Once logged into Pasco ONE, swipe to see your important links to locate the ONE Wallet app.

Select the ONE Wallet app to log into Rycor.

If you cannot access ONE Wallet through Pasco ONE, you can always access the Pasco Rycor site by going to <https://www.studentquickpay.com/pasco/>.

A promotional graphic for the Pasco ONE app. At the top, it says "ONE APP. EVERY CONNECTION." in white, followed by "PASCO ONE." in large green letters. Below this, a network of icons connects to a central "PASCO ONE" logo. Two QR codes are shown, one for Google Play and one for the App Store, with text "GET IT ON Google Play" and "Download on the App Store". A hand holds a smartphone displaying the "GET CONNECTED" screen with the "PASCO ONE" logo. At the bottom left is the Pasco County Schools logo, and at the bottom right is the text "YOUR SCHOOLS. YOUR UPDATES. ONE APP." in white.
