All first-time patients with a unique valid email address should receive an email invitation from "no-reply@eclinicalmail.com" with the subject line: **Patient Portal Access Information from My Health Onsite (MHO)**. To access your New Patient Portal for the first time, simply follow the instructions in the email.

If you are covered under the District's group medical plan and have not received the email invitation, please call **1-888-644-1448** to update your email address.
