

## My Health Onsite Health & Wellness Centers

### Coronavirus (COVID-19) Viral Test

Currently, Coronavirus testing is not available through the onsite Health and Wellness Centers due to test kit supply shortages and the prioritization of available test kits for hospitals and urgent care centers. The District in Partnership with My Health Onsite is exploring the possibility of making the test available through the Health and Wellness Centers at a future date.

### COVID-19 Antibody Testing

Testing to determine if you have developed antibodies to the virus that causes COVID-19 is available through the onsite Health and Wellness Centers. The test requires physician authorization; therefore, employees will need to schedule an appointment to meet with the physician prior to receiving the test.

Antibody testing may tell if you had a past infection with the virus that causes COVID-19. Antibody tests are not used to diagnose a current COVID-19 infection and may not show if you have a current COVID-19 infection because it can take 1 – 3 weeks after infection for your body to make antibodies. **To see if you are currently infected, you need a viral test.**

If you test positive or negative for COVID-19 on a viral or an antibody test, you still should take preventive measures to protect yourself and others. It is not known yet if people who recover from COVID-19 can get infected again.

## Coronavirus (COVID-19) Testing Sites

**TESTING SHOULD OCCUR IN THE COUNTY IN WHICH YOU LIVE.**

*The information provided in this flyer is intended to be a resource for employees about Coronavirus (COVID-19) testing sites. Testing guidelines, locations and hours may change; therefore, it is recommended that employees call facilities prior to going for testing to ensure that they meet any guidelines required by the provider.*

### PASCO COUNTY

#### Advent Health

## STAY INFORMED

### Pasco County Schools Coronavirus Info

[www.pasco.k12.fl.us/coronavirus](http://www.pasco.k12.fl.us/coronavirus)

### CALL 911 IF YOU HAVE A MEDICAL EMERGENCY:

Notify the operator that you have, or think you have COVID-19. If possible, put on a cloth face covering before medical help arrives.

### TIPS TO HELP REDUCE THE RISK OF SPREADING COVID-19

1. Wash your hands frequently with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, and after blowing your nose, coughing, or sneezing.
2. If soap and water are not available, use alcohol-based hand sanitizer with at least 60% alcohol. Cover all dry surfaces of your hands and rub them together until they feel dry.
3. Avoid touching your eyes, nose, and mouth with unwashed hands.
4. Avoid close contact – Stay at least 6 feet (social distancing) from other people outside your home.
5. Cover your mouth and nose with a cloth face cover (mask) when around others. Face covers are not a substitute for social distancing.

### LOCAL HEALTH DEPARTMENTS

- Pasco 727-861-5250
- Hernando 352-540-6800
- Hillsborough 813 307-8000
- Pinellas 727-824-6900

### BAYCARE TESTING SITES

There may be a charge of \$85 for uninsured. Payment is not due at the time of testing. For information about financial assistance call 855-233-1555.
