Saving time and money is simple. Use Value Choice Providers. You'll get high-quality care at lower out of pocket costs.

Dear Patty,

Q: Who are Florida Blue's Value Choice Providers?

A: [Sanitas Medical Centers Primary and Urgent Care](#) and [GuideWell Emergency Doctors Urgent Care](#).

Q: Why use a Value Choice Provider?

A: With a Value Choice Provider, you can:

- [Connect with a doctor you and your family can trust to provide quality health care.](#)
- [Gain access to consistent primary care that helps prevent more serious medical conditions later in life.](#)
- [Get support from a team of doctors who will help ensure you have the right care, at the right time.](#)

- Develop ongoing wellness plan with your doctor to guide your health care journey.
- Schedule same-day appointment, after-hours care, and virtual visits with many Value Choice Providers.
- Have a back-up if your doctor at My Health Onsite is not available and you need an appointment right away.

Q: Why choose Sanitas Medical Centers as your Primary Care Physicians (PCP)?

A: Choosing Sanitas Medical Centers as your Primary Care Physician:

- Copays from \$0 - \$10 for virtual and in-office visits depending on plan.
- Get referrals to specialists who will work with you and your PCP when you need them.
- Save time and money with on-site diagnostic tests like lab work and x-rays. **Note: X-rays are available at select locations. Call ahead to confirm.**
- Extended hours at some locations can make it easy to set appointments that fit your schedule.
- Spanish-speaking medical professionals are available at most locations.

Q: What differentiates GuideWell Emergency Doctors Urgent Care from other in-network Urgent Care Centers?

A: GuideWell Emergency Doctors:

- Have Board-Certified Emergency Medicine Doctors
- Provide more affordable emergency care experience
- Can treat everything from chest pain and head trauma to broken bones and allergic reactions
- Have on-site diagnostic services including X-ray, CT scan, EKG, ultrasound, and lab work
- Offer complete follow-up care with your primary care physician, a specialist, or hospital if needed
- 10 convenient locations serving the Tampa and Orlando areas
- First 2 in-person visits per calendar year at \$0 copay
