Underneath The Tree

A Chorus

You're here where you should be
Snow is falling as the carolers sing
It just wasn't the same
Alone on Christmas day

B

Presents, what a beautiful sight
Don't mean a thing if you ain't holding me tight
You're all that I need
Underneath the tree

C Verse 1

Tonight (Tonight), I'm gonna hold you close
(Ooh)
Make sure that you know
I was lost before you (Ooh)
Christmas was cold and grey (Ooh)
Another holiday (So alone)
Alone to celebrate

D pre-chorus

But then (But then), one day (One day)
Everything changed
You're all I need
Underneath the tree

E Chorus

You're here where you should be
Snow is falling as the carolers sing
It just wasn't the same
Alone on Christmas day

Presents, what a beautiful sight
Don't mean a thing if you ain't holding me tight
You're all that I need
Underneath the tree

F verse 2

I found (I found) what I was looking for
(Ooh)
A love that's meant for me (Me)
A heart that's mine completely (Ooh)
Knocked me right off my feet (Ooh)

And this year I will fall

With no worries at all

G Pre-chorus

'Cause you ('Cause you) are near (Are near)
And everything's clear
You're all I need
Underneath the tree

H Chorus

You're here where you should be
Snow is falling as the carolers sing
It just wasn't the same
Alone on Christmas day

Presents, what a beautiful sight
Don't mean a thing if you ain't holding me tight
You're all that I need
Underneath the tree

I

And then, one day, everything changed
You're all I need
Underneath the tree, yeah

You're here where you should be (Oh yeah)
Snow is falling as the carolers sing (Oh, yeah,
yeah)
It just wasn't the same (Oh, yeah, yeah, yeah)
Alone on Christmas day

Presents, what a beautiful sight (Oh, you're all I
need)
Don't mean a thing if you ain't holding me tight
(Underneath my tree)
You're all that I need (Underneath my tree, yeah)
Underneath the tree, tonight

Put a Little Love in Your Heart

A Think of your fellow man
Lend him a helping hand
Put a little love in your heart
You see it's getting late
Oh, please don't hesitate
Put a little love in your heart

B And the world will be a better place
And the world will be a better place
For you and me
You just wait and see

C Another day goes by
And still the children cry
Put a little love in your heart
If you want the world to know
We won't let hatred grow
Put a little love in your heart

D And the world (And the world)
will be a better place
All the world (And the world) will be a better
place
For you (For you) and me (And me)
You just wait (Just wait) and see,
wait and see

E Take a good look around
And if you're looking down
Put a little love in your heart
I hope when you decide
Kindness will be your guide
Put a little love in your heart

F And the world (And the world)
will be a better place
And the world (And the world)
will be a better place

For you (For you) and me (And me)
You just wait (Just wait) and see

G People now, put a little love in your heart
People now, put a little love in your heart
People now, put a little love in your heart

H People now, put a little love, love, love
in your heart
