

Lyrics

The Fox Song

I'm a cookie-lovin' fox.

My name is Mac.

That gingerbread-y man
will be my snack.

Yay, yay, yay and-a yum, yum, yum.

Gingerbread cookie in my tum!

Yay, yay, yay and-a yum, yum, yum.

Gingerbread cookie in my tum!

Cockatoo Blues

Oh, we've got the blues, the cockatoo blues.

Boohoo!

'Cause our feathery 'dos aren't makin' the news.

Boohoo!

We're sitting here and feelin' down.

If our beaks could bend, they'd be in a frown.

We deserve a crown on our crown!

We've got the cockatoo blues.
