

Class Incentive Criteria-FUN DAY (once before progress reports and once before report cards)!

- Follow classroom expectations. Remember, please listen quietly and attentively when a teacher or a student is talking.
- Have no behavioral issues and/or cellphone use infractions.
- Be consistently working to your full potential.
- Make sure you have no missing work, unless you were absent recently.
- You must be passing with at least a 'D.'

If you have met the above criteria, you will be allowed to use your electronic devices (responsibly), listen to your music (with headsets only), play board games, draw or simply chat quietly with your friends!

If you have not met the above criteria, you will be making up work and/or having a reteach with me. If you don't have much work to make up and you finish it (to your full potential), you will be able to rejoin the group for incentive as soon as you are done.

Remember, incentive is earned. I hope that all of you will take advantage of such a fun-filled event. Your success is my success!

Mr. D. 😊
